#RDA not established

1. **What is G2V3?**

Maintaining mental performance requires the optimal functioning of brain cells and the complex neuronal network. Brain cells cannot be replaced and have the highest priority in the body for micronutrients. G2V3 provides a comprehensive formula and has been developed to help safeguard your dietary intake of important nutrients that would help to maintain normal cognitive function.

2. **How does G2V3 work?**

- Vitamin B1, B6, B12 and B9 has been shown to improve brain function or symptoms of memory loss.
- Ginkgo Biloba, Panax Ginseng Extract and Quercetin acts as a neuroprotective, antioxidant, free-radical scavenger, and a membrane stabilizer
- Chromium Picolinate improves memory function
- Biotin helps to stabilize mood, regulate sleep, and energy.

3. **Who should take G2V3?**

G2V3 is a supplement for treatment of Neurodegenerative disorders and cognitive dysfunction.

4. **What are the precautions to be taken while using G2V3?**

No special precautions are required while using G2V3. If one develops hypersensitivity or allergy, discontinue the use.

5. **How to take G2V3**

G2V3 capsule to be taken once daily or as directed by Health care professionals.

6. **How long must one take G2V3?**

Results vary amongst individuals, but in most cases, we would expect the beneficial effects of specialist nutrients in G2V3 to build over several weeks. There is no maximum length of time over which G2V3 may be used. A regular intake is recommended.

7. **Can G2V3 be used simultaneously with medications?**

Generally, G2V3 may be used alongside medications. For specific advice on taking G2V3 with medicines, we recommend that you contact your doctor.

8. **Are there side effects with consumption of G2V3?**

G2V3 is safe and causes no side effects. As it has vitamins and plant-based actives hence it is generally regarded as safe. Side effects if occur are generally mild and well tolerated.

9. **How to store G2V3?**

Store it in cool and dark place, protected from light and moisture.

Shelf life: 18 months
