

SINAREST – S NASAL SOLUTION

Composition:

SINAREST – S is an isotonic solution of sodium chloride 0.74 w/v in distilled water, to prevent nasal irritation, and the antibacterial and antifungal preservative benzalkonium chloride 0.01 w/v.

SINAREST- S Nasal Solution is alcohol – free solution.

Pharmacology:

SINAREST- S Nasal Solution is effective in restoring moisture to nasal membranes affected by dryness due to climate, respiratory infections, travel, oxygen therapy, overuse of nasal decongestants, and hormonal changes caused by pregnancy.

SINAREST- S Nasal Solution also aids in eliminating congestion by washing away mucus and allergens from the nose and sinuses.

SINAREST- S Nasal Solution is soothing, non-irritating solution, which is formulated to be compatible with nasal membranes to prevent the stinging, burning and irritation of delicate nasal tissue.

SINAREST- S Nasal Solution is buffered to a neutral pH to loosen and thin congestion caused by colds or allergies. Restores moisture to dry nasal membranes.

Indications:

SINAREST – S Nasal solution can be used two or three times a day to moisten the nasal membranes and aid the natural cleaning function of the nose.

SINAREST – S Nasal solution has proved to be a simple, yet highly effective, method that alleviates a number of problems such as Colds, Sinusitis and Chronic Nasal Congestion, Otitis Media, Allergies, Dry Noses etc.

SINAREST – S Nasal Solution moisturizes and soothes dry, crusty and inflamed nasal membranes; useful as a nasal wash for sinuses, allergies and colds.
